

Disclaimer

The contents of this site are for informational and educational purposes only. Nothing found on our website is intended to be a substitute for professional psychological, psychiatric or medical advice, diagnosis, or treatment.

Always seek the advice of your physician or other qualified mental health provider with any questions you may have regarding a medical condition or mental disorder. Never disregard professional medical advice or delay in seeking it because of something you have read on our site.

If you think you may have a medical emergency, call your doctor or 911 immediately.

Reliance on any information provided by Live More Studio or by any person or professional appearing on our website is solely at your own risk. Live More Studio is not liable for any advice or information provided on the site, all of which is provided on an “as-is” basis. No warranties either express or implied are made on the information we provide.

The site contains mental health-, health- and medical-related materials that may be considered controversial. If you find these materials uncomfortable, you may not want to use our website.

Opinions and other statements expressed by authors and third parties (including our bloggers) are theirs alone, not opinions of Live More Studio. While Live More Studio makes an effort to review certain content, content created by third parties is the sole responsibility of the third parties; its accuracy and completeness are not endorsed or guaranteed.

Live More Studio is an independent publisher of mental and physical health information and resources.
